INTEGRATED SERVICES

Buck Consultants is a global HR consulting firm that helps organizations develop, deploy, and manage their human capital. We craft solutions that help our clients solve complex HR and business challenges. Buck offers advisory, technology, and administration solutions in the following practice areas:

- Communication
- Compensation
- Global HR Technology and Administration
- Health and Productivity
- Human Capital Management
- Retirement

A HISTORY OF FIRSTS

Building on a history of innovative thinking spanning 90 years, Buck maintains thought leadership in HR and benefits consulting and administration, including some notable “firsts”:

- Pioneer in pension plan funding
- First Global Employee Stock Ownership Plan (GESOP)
- First fully integrated Health Savings Account (HSA)
- First-of-its-kind severance solution
- Groundbreaking Lifetime Health® concept
- First global wellness survey

Lifetime Health® is a registered trademark of Buck Consultants, LLC.
